This condition means that you must maintain adequate arrangements for health insurance (generally Overseas Student Health Cover) while you are in Australia. You must not enter Australia before your Overseas Student Health Cover has begun. You are not permitted to remain in Australia after your Overseas Student Health Cover has expired. If you are a student from Norway, Belgium or Sweden you may not need to maintain Overseas Student Health Cover.

Work limitation (visa condition 8105)

This condition means that you must not engage in any work before your course of study commences. You are also not permitted to work more than 40 hours per fortnight when you are in Australia when your course of study is in session.

Note the 40 hour requirement does not apply if you are engaged in work that was specified as a requirement of the course when the course particulars were entered into the Commonwealth Register of Institutions and Courses for Overseas Students and the student visa was granted for a masters degree by research or doctoral degree.

Meet course requirements (visa condition 8202)

This condition means that you must be enrolled in a full-time course and satisfy the course requirements of your enrolment including the course level, course progress and course attendance. Unless you are a Defence, Foreign Affairs or secondary exchange student, the course you are undertaking must be a registered course with the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS).

The course you are undertaking must give you a qualification from the Australian Qualifications Framework that is at the same level or higher level than the course mentioned in your grant letter.

For more information about the Australian Qualification Framework: www.aqf.ed.au

Must maintain eligibility (visa condition 8516)

This condition means that you must continue to maintain your eligibility as a person who would satisfy the criteria for the grant of your visa.
